STANDARD OPERATING PROCEDURE

Controlled Use - Laundry Detergent Concentrate - Enzyme

DOCUMENT CONTROL

Field	Controlled value	Field	Controlled value
SOP number	ACX-1227-VAR-SOP	Revision	1.0
Effective date	14 SEP 2026	Next review	14 SEP 2026

1. PURPOSE AND SCOPE

This procedure defines the controlled site use of Laundry Detergent Concentrate - Enzyme (ACX-1227-VAR) for approved fabric / textile care tasks. It covers product verification, compatibility, safety controls and close-out. Chemical dosing and handling remain governed by the current product label, SDS and site-approved procedure.

Applies to	Healthcare / Hospitality / Education / Labs - approved personnel / areas only
Exclusions	Wool, silk, cashmere - use Woollen Wash

2. RESPONSIBILITIES

Role	Responsibility
Authorised operator	Verify the correct product and current controlled documents; follow the approved site procedure and required safety controls.
Supervisor / QA / EHS	Maintain current label / SDS availability, confirm site controls, and define any required records or verification.

3. APPROVED PRODUCT AND EQUIPMENT

Product	Laundry Detergent Concentrate - Enzyme / ACX-1227-VAR
GHS pictogram	
Approved surfaces / equipment	Cotton, poly-cotton, synthetics, institutional linen and uniforms
PPE	None at working dose
Restrictions / incompatibilities	Wool, silk, cashmere - use Woollen Wash

4. PROCEDURE

Step	Action	Acceptance / finish
1	Confirm product identity, SKU, label / SDS revision and task authorisation.	Correct product and current controlled documents confirmed.
2	Confirm compatible area / equipment, required PPE and site controls before the task.	Pre-use checks complete; incompatible use excluded.
3	Perform the task only under the current product label and site- approved operating procedure.	No unapproved chemical mixing, dosing or process deviation.
4	Complete site-defined finish / rinse / dry, container close-out and any required record.	Area / equipment left in the site- approved condition; product secured.

5. SAFETY CONTROLS

Control	Requirement
PPE	None at working dose
Critical warnings	Follow the current product label and SDS. Avoid eye contact and use only on documented compatible surfaces / areas. Known restriction: Wool, silk, cashmere - use Woollen Wash
Emergency reference	Current SDS / label and site emergency procedure
