

Alle's ClinX

TECHNICAL DATA SHEET

Carbonised Grease Remover - Caustic Gel

1. PRODUCT IDENTIFICATION

Product name	Carbonised Grease Remover - Caustic Gel
Brand	Alle's ClinX
Product code / SKU	ACX-2538-VAR
Product category	Heavy-duty degreasing
Product form	Gel formulation
Intended market	Hospitality / Education / Industrial / Labs
GHS pictogram	

2. PRODUCT DESCRIPTION

Carbonised Grease Remover - Caustic Gel is a professional heavy-duty degreasing product based on Caustic- enhanced high-alkalinity saponification, with a stated pH of 12.0–13.0 (strongly alkaline). This sheet summarises supported identity, compatibility, safety, storage and packaging information.

3. KEY FEATURES AND BENEFITS

Feature	User / operational benefit
Caustic-enhanced high-alkalinity saponification	Defines the formulation / active system used to identify the product.
pH: 12.0–13.0 (strongly alkaline)	Supports compatibility and handling decisions.
Defined compatible-use scope	Approved areas / surfaces are stated for easier site selection.

4. APPLICATIONS

Recommended environments	Hospitality / Education / Industrial / Labs
Recommended tasks	Heavy-duty degreasing
Use on	Stainless steel, cast iron, enamel-coated surfaces, ceramic tiles, concrete
Do not use on	attacks these substrates

5. TECHNICAL SPECIFICATIONS

Property	Specification
Active / chemistry	Caustic-enhanced high-alkalinity saponification
pH	12.0–13.0 (strongly alkaline)
Product form	Gel formulation
Pack size	5 Litres

6. SAFETY AND HANDLING SUMMARY

PPE	Chemical-resistant gloves and eye protection — mandatory
Critical restrictions / incompatibilities	Aluminium, galvanised surfaces, soft metals — caustic attacks these substrates
First aid / spill reference	Refer to the current product SDS, label and site emergency procedure.

7. STORAGE AND SHELF LIFE

Storage conditions	Keep in the original sealed container, away from direct sunlight and incompatible materials; follow current label / SDS storage limits.
Storage temperature	Follow current label / SDS
Shelf life - unopened	24 months from date of manufacture, unopened
Container requirements	Original, correctly labelled, tightly closed container unless the approved pack states otherwise.
