

Alle's ClinX

TECHNICAL DATA SHEET

Fabric Softener Concentrate - Neutral pH

1. PRODUCT IDENTIFICATION

Product name	Fabric Softener Concentrate - Neutral pH
Brand	Alle's ClinX
Product code / SKU	ACX-1228-VAR
Product category	Fabric / textile care
Product form	Liquid fabric conditioner
Intended market	Healthcare / Hospitality / Education / Labs
GHS pictogram	

2. PRODUCT DESCRIPTION

Fabric Softener Concentrate - Neutral pH is a professional fabric / textile care product based on Cationic conditioning agent — quaternary ammonium compound, with a stated pH of 6.5–7.5 (neutral). This sheet summarises supported identity, compatibility, safety, storage and packaging information.

3. KEY FEATURES AND BENEFITS

Feature	User / operational benefit
Cationic conditioning agent — quaternary ammonium compound	Defines the formulation / active system used to identify the product.
pH: 6.5–7.5 (neutral)	Supports compatibility and handling decisions.
Defined compatible-use scope	Approved areas / surfaces are stated for easier site selection.

4. APPLICATIONS

Recommended environments	Healthcare / Hospitality / Education / Labs
Recommended tasks	Fabric / textile care
Use on	Cotton, poly-cotton, synthetics, institutional linen and uniforms
Do not use on	Microfibre cloths, moisture-wicking technical fabrics

5. TECHNICAL SPECIFICATIONS

Property	Specification
Active / chemistry	Cationic conditioning agent — quaternary ammonium compound
pH	6.5–7.5 (neutral)
Product form	Liquid fabric conditioner
Specific gravity	1.00–1.02 at 25°C
Pack size	5 Litres

6. SAFETY AND HANDLING SUMMARY

PPE	None
Critical restrictions / incompatibilities	Microfibre cloths, moisture-wicking technical fabrics
First aid / spill reference	Refer to the current product SDS, label and site emergency procedure.

7. STORAGE AND SHELF LIFE

Storage conditions	Keep in the original sealed container, away from direct sunlight and incompatible materials; follow current label / SDS storage limits.
Storage temperature	Follow current label / SDS
Shelf life - unopened	18 months from date of manufacture, unopened
Container requirements	Original, correctly labelled, tightly closed container unless the approved pack states otherwise.
