

High-Touch Surface Checklist

A focused checklist for surfaces touched repeatedly by occupants, visitors and staff.

FACILITY / SITE

AREA

DATE

ROUND / TIME

Operational check

☐ Door and cupboard handles	Done / N.A.
☐ Light switches and access-control buttons	Done / N.A.
☐ Lift / elevator buttons and call panels	Done / N.A.
☐ Handrails and grab rails	Done / N.A.
☐ Reception counters and shared service points	Done / N.A.
☐ Shared keyboards, touchscreens or control panels	Done / N.A.
☐ Taps, flush controls and dispenser touch points	Done / N.A.
☐ Chair arms and shared furniture touch points	Done / N.A.
☐ Telephones, intercoms and shared communication devices	Done / N.A.
☐ Shared equipment handles and frequently touched controls	Done / N.A.
☐ Push plates, pull bars and door edges	Done / N.A.
☐ Other locally identified high-touch point	Done / N.A.

Control note. Add site-specific high-touch points during walk-throughs; the list should evolve with actual use patterns.
